Shawn, please see attached the EWG NRRB package you received yesterday.

Thanks

Dan

Subject: EWG Technical Comment Submission for NRRB Meeting

Ravi,

Per my voicemail, I dropped off a hard copy of the EWG technical comment submission for the NRRB meeting at your office today. Attached is an electronic version for your records. I understand you will be submitting this with the rest of the EPA package at the end of this week.

Thanks

Dan
